Well, I meant what I said when I offered my opinion to the Administrator, Ray; I didn't realize that he would bring it up quite this way. Yes, perhaps I am now a target of a lot of lawyers. I remain confident in my opinion. To be on the safe side, however, some knowledgeable FTA official should manage the development of the "avoidance alternative." Would you be interested in going back to Honolulu for a few days or so? I'm sure you would be welcomed with open arms. We need to talk. Do you have time tomorrow? Take care. Carl

You know what this means - you can't retire. The administrator won't sign your papers but some in TCC might shoot you in the meantime.
